

Assembly Instructions "BAR" One wall stud plaster.

N/B If available 2 wall stud mounting is preferred.

N/B These instructions illustrate the **one wall stud mounting** process & are to be **read in-conjunction** with the **Assembly instructions "BAR" 2 wall studs** plaster. N/B an additional **4.5mm Drill Bit** is required for this installation.

N/B When the BAR panel is in your selected position the Stud may be offset to the panel centre.

1. Establish & mark wall **stud centre**.

Confirm the Bar panel height, **position/level & mark** the Bar panel **outline** on the **wall**.

Measure/record the **distance in** from panel **edges** to the wall **stud centre**.

N/B If you want to **change Bar shelf height** raise/lower the panel height from the shown 915mm accordingly.

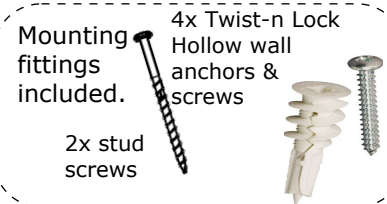

2. Position the panel on a firm base. Mark the **Stud centre** position on the BAR **panel** & at **196mm up** from the bottom edge & **170mm down** from the top edge mark the 2 stud **centre** holes. Using the same measurements **mark 60mm in** from the **edges** for the 4 wall anchor holes.

With a **3mm Bit** drill the 2 Wall Stud center holes.

With a **4.5mm Bit** drill the 4 Wall anchor holes.

3. **Position & level** the **BAR panel** on the **wall** to the **marked** positions, hold firmly & drill the **2x3mm** holes into the stud centre, **partially** insert the screws (as to hold the panel in **position**) & Drill the **4x4.5mm** wall **anchor holes**. Remove the screws/panel.

4. **insert** the 4 Hollow wall **anchors** until flush with wall face.

5. Using the **Holder Inserter**, Insert the **Glass Holders** into the **Inserter** & **Tap in**. (Holders pointing upwards).

6. Using a **Right Angle** align each shelf at **90Degree's** over existing holes & **Tap in evenly** until the shelf edge is **flush** to panel face.

7. **Reposition** the panel to the **marked** position on the wall. **Insert** screws into existing stud **holes** & wall **anchors**.

8. Go to items 6 - 8 **Assembly Instructions"BAR" 2 wall studs**, plaster for **Shelf mounting** instructions.
